## DIRECTOR'S CORNER

Greetings brothers and sisters in Christ:

A very blessed and Happy Easter to all. With Easter being so late this year and a news update critical, I opted to get this out around St. Patrick's Day, so am wishing you a happy day for that too.

We are busy getting ready for our big fund raiser SOUP, SALAD AND MORE on April 8<sup>th</sup>, doors opening at 5:30, silent auction results at 7:00 p.m. The event is being held this year at *THE BARN at the RIVER* at 2190 Coonpath Rd. NW.

We are asking a donation of \$10 a dinner. Your ticket gets you the opportunity to vote on a favorite soup (or if you **really** have a favorite, you may purchase 6 more tickets for \$5 and stuff the ballot box ;), sample many, eat whatever???? Also provided will be salad, drinks, and a chocolate fountain with edibles to dip. Of course there will be a silent auction with many items (even for men folk).

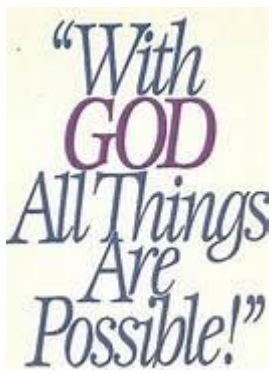

There will be a brief overview of Grace Haven past and the future vision the Lord is leading us into. The money from this event after all repairs are completed on our two houses in town will be put into a capital campaign account so when the Lord is ready to move us to our new out-of-town digs, we will be ready to invest in remodeling and renovation.

If you would like to provide a soup, please call Patty for details on where, when and how to deliver, at 740-407-9198. For silent auction items, you may call me at 740-808-6255 or drop them off with Rita Heston at Miller Insurance, 804 West Fair Ave, Monday-Friday 10-5 pm.

We are excited to see where the Lord is leading. Please come and join us as we help women find freedom from addiction through Christ Jesus, (John 8:36).

May God bless you abundantly and richly.

Jackie Hardman

**Please prayerfully consider being a monthly supporter. We take no government help and must rely on the generosity and love of fellow Christians who believe what Jesus said in Matthew, “ if you have done it to one of the least of these my brethren, you have done it unto me.” Wrecked lives are redeemable by the shed blood of our Lord who desires no one perish but be saved and blessed. Jesus promised when He sets people free, they are free indeed. Grace Haven Ministries is based firmly on that declaration.**

**Please visit our new web site at <https://www.gracehavenministries.net> There you will find applications, basic house rules, a welcome that gives prospective residents an idea of what to expect when they live at Grace Haven/ Sarah’s House.**

## **VOLUNTEERS**

**We still need ladies who might like to come in for a few hours Thursdays or Fridays to share crafts, cooking, arts, and crafts. Adult coloring books are extremely popular with the ladies, and we like Christian themes to work on. We are always in need of paper towels, TP (imagine a house full of women - the amount we go through), laundry soap, dishwasher soap, cleaning supplies, hand sanitizer.**

**As spring approaches we will be needing a giant tree removed, 2 porches cleaned, repaired and sealed.**
